RadComp™

PATIENT POWERED

A study at the heart of breast cancer treatment

Pictured above, Sharon Rivera-Sanchez speakings at the House of Representatives regarding the Comprehensive Cancer Survivorship Act in December 2022.

The Comprehensive Cancer Survivorship Act RadComp SAC Working for You!

RadComp Stakeholder Advisory Committee member and Chief Executive Officer of the National Coalition for Cancer Survivorship Shelley Fuld Nasso helped to bring the Comprehensive Cancer Survivorship Act to the floor of the US House of Representatives. Sharon Rivera-Sanchez, also a RadComp SAC member, spoke in support of the bill. Learn about how this bill may impact the future of Cancer patients' survivorship rights.

Longitudinal Follow-up through The Experiences of Participants

As RadComp nears the its enrollment goals, we interviewed three of our Stakeholders about their experiences with longitudinal clinical trials to learn what worked well for them and what could be improved, to create high quality, patient centered outcomes.

Are Your Quality of Life Questionnaires Up to Date?

Please complete your RadComp quality-of-life questionnaires. Click to learn more about RadComp questionnaires: (in English) (in Spanish)

Complete Questionnaire
(*After logging in, if you do not see a questionnaire to complete then you do not have one due at this time. Thank you!).

Advocacy Partner Events & Resources

Cancer Support Community Cancer Experience Registry

Share your voice by taking Cancer Support Community's Cancer Experience Registry survey. By harnessing the power of patient and caregiver voices, our survey helps elevate the lived experience of cancer into actionable information that can inform all levels of decision making. You can join thousands of others in helping to influence healthcare policies, enhance cancer care, and improve support services. Learn more and take the survey here: CancerExperienceRegistry.org/Join/News
